MEMORANDUM FOR: Director, Executive Staff

THROUGH: Dave Gries

FROM:

STAT

SUBJECT: Proposed Input for State of the Union Message

I recommend that we use this opportunity to attempt to have the President go on record in urging Congress to enact legislation to criminalize the unauthorized disclosure of national defense (i.e., classified intelligence and military) information by U.S. Government personnel. If the White House agrees to include such a statement in the State of the Union Message, it will serve to put on notice the Congress (as well as those elements in the Executive Branch that have to date resisted our proposals for leaks legislation) that the President wants and is prepared to push for new legislation in this area.

I believe that we can briefly summarize the proposal in the following manner: The DCI recommends that the President include in his Message an expression of deep concern about the proliferating and highly-damaging leaks of sensitive intelligence and military data. In addition to citing internal steps the Executive Branch has undertaken to combat and deter this behavior, the President should also indicate his intent to submit to Congress legislative proposals to strengthen existing criminal sanctions against the unauthorized disclosure of national defense information by U.S. Government personnel.

MEMORANDUM FOR THE CABINET, SELECTED AGENCY HEADS, AND
POLICY COUNCIL HEADS

FROM: ALFRED H. KINGON 
SUBJECT: 1987 State of the Union

The President has asked that you submit as quickly as possible to my office all themes, plans, programs, policies, etc., that you would like to be considered by him for the 1987 agenda and possible inclusion in his State of the Union Message.

These should include legislative proposals or legislation that you wish to be enacted next year; legislative proposals that are longer term in nature but which you would like the Congress to begin considering this year; other programs and policies to be implemented that do not require legislation; and a list of major reports to Congress that will be due in 1987.

These items do not, at this time, have to be spelled out in great detail; a short summary will suffice.

Please have your submission in to me by close of business, Tuesday October 28.

Thank you.
